Time to  
experience the  
magic...the  
emotion...the  
brilliance of  
Buble.

Glenn Starr and his big band deliver 90 minutes of unforgettable music – With all the style and sophistication of the man himself.

Classic standards come alive..

Come Fly With Me; For Once In My Life; Sway.

Hits that have been revolutionised..

And of course, revered compositions from Buble's own repertoire..
